- Voice
- 100% Cloud

Sheet Plant Advantage

- Integration with Corrugators
- Market Leading Sheet Feeder Customer Base
 - Electronic Trading Advantage
 - Multiparty Scheduling Integration
 - Realtime Transparency & Visibility

Developing a Transformational Mindset

1. Start with your customers ...
 - ...iServe Engagement Platform
2. Don't be incremental...
 - ...Systems vs Modules
3. Don't be functional...
 - ...Don't do IT projects
4. Prioritize talent...
 - ...knowledge base, community & certifications
5. Invest in next generation technology (cloud) ...
 - ... 100% web based solutions

....

What's Transforming?

- Full Integration
- New Strategic Capabilities
 - Digital Print
 - Integrated Scheduling
 - Performance Analytics
 - Realtime

4 Step Digital Print Revolution

1

COLLABOATE ON A "GO TO MARKETING" DIGITAL STRATEGY

- Establish Business Goals
- Determine Market Focus
- Business to Consumer vs. Business to Business
- Identify Equipment Options

2

WE PROVIDE DIGITAL TOOLS

Amtech's API's provide seamless integration with:

- Digital Storefront
- Design Centers Collaboration
- Digital Presses Integration
- Esko Webcenter and Automation Engine
- No touch scheduling & workflow

3

ACHIEVE MAXIMUM DIGITAL IMPACT

- Create a Branded Digital Storefront
- Deliver an elegant customer experience
- Reduce lead time with collaborative design tools
- Enable Press Ready Artwork with one touch ordering

4

BE AN EARLY ADOPPTER

Be the first in your market to adopt Digital Print and gain a competitive advantage! We'll get you up and running quickly.

Amtech Acquired Avista to Create All in One Smart Factory

- We are in the Scheduling Solutions Business
- Avista
 - 30+ years in the Corrugated Industry
 - Industry standard for Sheet Feeders
- What Amtech Gained
 - Electrical Engineers
