

## **Membership Fact Sheet:**

TAPPI is the world's largest and most prestigious association of engineers, scientists, and managers in the paper and packaging industries.

For over 95 years, at TAPPI it's been *Where Who you know meets What you Know.*

TAPPI is the association bringing together thousands of professionals in the pulp, paper, packaging and converting industries to create solutions throughout the entire supply chain. TAPPI membership enables you to improve your core competencies; share insights with others who face similar challenges, experiences and passions; and contribute more fully to your employer, industry associates and society.

TAPPI sets the industry standard for quality to help you and your company stay ahead of the competition. You can confidently turn to TAPPI to help you meet and exceed your company's expectations for quality and performance.

An Annual Individual membership is just **\$174.00**, and there is also an option of a Company Sustaining Membership.
