

Guidelines for the Buying & Selling Of Used Corrugated Machinery

By Kenneth Andersen & Patric K. Szany

A project of the Engineering Committee of the Corrugated Containers Division CA89030201.

1992. 90 pp., 5-1/2" x 8-1/2" soft cover
Item Number: 0101R210
ISBN: 0898523036

Practical advice for corrugated boxplant and sheet plant managers when buying or selling used corrugated machinery. It outlines logical steps to follow when dealing with equipment changes and contains checklists for inspection of the following equipment: flexo folder gluer; flexo rotary diecutters; diecut stacker; printer slotters; press stacker; and single facers.
