GOLF OUTING AT BEAR CREEK GOLF COURSE

Bear Creek Golf Club is among the Dallas-Fort Worth area's favorite classic golf courses. Designed by the distinguished Ted Robinson and now proudly managed by Billy Casper Golf, Bear Creek is a great place to learn, practice, and play golf. Bear Creek's two championship golf courses have been open to the public since 1980. The 36 holes provide us the ability to coordinate and host over 500 golf outings annually. Both courses have consistently received accolades from Golf Digest, Wall Street Journal, and the Dallas Morning News for product quality, attentive service, and esthetics.

Registration Required. Cost per person is \$165 per person and includes transportation from the hotel, a box lunch.
