

Shipping, Receiving and Warehousing Committee

Dear Industry Leader:

TAPPI is excited for the arrival of the **2010 TAPPI Shipping, Receiving & Warehousing Workshop** to be held April 12 – April 14, 2010 again in Nashville, Tennessee at the Sheraton Nashville Downtown Hotel.

TAPPI's 2010 Shipping, Receiving and Warehousing Workshop will gather a dedicated group of publishers, carriers, mills and printers to explore new ways to reduce in-transit damage to rolls of paper. Presentations from publishers, carriers and paper mills are planned as well as an update from the VolPcare Technology regarding their pilot program for collecting real-time inspection data at each point in the transit process.

We would like to offer you the opportunity to put your company's brand in front of key industry professionals, who have vested interest in your products, by becoming one of our exclusive workshop sponsors. Sponsorship at our workshop will show our attendees your commitment to building industry relationships and allowing you to reach a more targeted audience.

Thank you for your time and we hope to see you Nashville for another successful event!

Sincerely,

Dan Collin
Conference Chair
