2006

“Paper Industry Energy Symposium”

**and
Trade Fair**

Thursday, February 16, 2006

Radisson Paper Valley Hotel

333 W. College Avenue Appleton, Wisconsin

This Lake States TAPPI meeting is focused on learning about innovations that can help mills reduce energy costs. Industry experts, along with mill personnel, will show how they have been able to reduce steam, air, and electrical usage through process improvements and optimization. Emerging technologies that help to reduce energy costs are also showcased. Learn more about the Federal Energy Bill and the State and Federal assistance to implement energy projects!

A table-top trade fair will be available for attendees to learn more about energy saving opportunities. The trade fair will be available during the breaks and lunch hour. Stay after the sessions to enjoy the Trade Fair social, network and be present to win one of twenty \$50 prepaid gas cards at the raffle!

Who Should Attend

Utilities, Pulp Mill, Paper Machine, Stock Prep, Process Engineers, Superintendents, Supervisors, Mill Managers, Suppliers, and Students as well as, anyone else interested in learning more about energy optimization.

Please pre-register by January 31, 2006
