TAPPI Membership Number _____

I would like to join the Standard-Specific Interest Groups for the following Test Methods and understand that I will **only** receive review ballots for the specific documents indicated (please check all that you wish to join):

- T 557 Water vapor transmission rate through plastic film and sheeting using a modulated infrared sensor - *currently withdrawn, but could be reinstated*
If you are interested in chairing a review for reinstatement of this method, check here:

This form last revised November 1, 2011.

Please return this sheet to: Standards Department, TAPPI, 15 Technology Parkway South, Norcross, GA 30092; fax: +1-770-446-6947
