BOOK

Corrugated Boxshop Practices
by A. Howard Bessen
Published by Jelmar Publishing Company

1996, 176 pages; hard cover
Order Number: 0638CBP
ISBN: 1-885067-01-1

This book contains more than 430 individual practices, methods and procedures to deal with situations in boxshops and sheet plants. Each is discussed in terms of fundamentals, suggestions and problem-solving approaches. For upper managements, middle management, and supervisors in boxplants. Sales service people, and schedulers and planners could also benefit from this book.
