

Kurt is a 1997 UWSP Paper Science and Engineering graduate from the University of Wisconsin – Stevens Point and has worked for multiple companies in several locations through his career. With a diverse background in pulp, paper and converting he joined Domtar in 2015 as the Rothschild Mill Paper and Converting Leader, then in 2020 he became General Manager for the Nekoosa Mill in Nekoosa, Wisconsin. Early 2022, he was named Domtar's Technology Manager for Printing and Writing Paper. Kurt is an active member of the community as well as a board member on the University of Wisconsin - Stevens Point Paper Science & Chemical Engineering and Western Michigan University Paper Technology Foundations. He has been active within Lake States TAPPI and is the current Chair of the PIMA Executive Committee. Kurt and his wife Erin are happiest spending time with their three teenage children.
