| MONDAY 10/22 | 8:30AM - 9:00AM  
Speakers Breakfast 7:30-8:15AM  
Session 2: Opening Awards and Keynote Address  
Miles Drake, CTO  
Weyerhaeuser Corp. |
| Session 3: State of the Industry Report |
| Session 4: Advances in Chemical Pulping |
| Session 5: Mill Engineering Panel Session |
| Session 6: Improvements in Mechanical Pulping |
| Session 7: New Technology Showcase |
| HOSTED LUNCH In Trade Fair Area |
| Session 8: Effect of Raw Materials on Pulping Processes |
| Session 9: Bleach Plant Safety Panel Session |
| Session 10: Wastewater Treatment and Analysis |
| Session 11: New Asset Management Approaches |
| Session 12: Simulation Software Workshop |
| Session 13: Bleaching with Oxygen and Peroxide |
| Session 14: Sulfur Emissions from Wastewater Treatment |
| Session 15: Bill Babington Maintenance Roundtable |
| Session 16: Hot Topics Continental Breakfast 6:45-8:30AM |
| Session 17: Advances in ECF Bleaching |
| Session 18: Biorefinery Tutorial |
| Session 19: Measuring the Paper Business |
| Session 20: Optimizing Chemical Recovery |
| Session 21: Workshop on Lower Furnace Corrosion - I |
| Session 22: Pretreatments to Enhance Bleaching |
| Session 23: Determining the Effects of Wood Pretreatments |
| Session 24: Workshop on Lower Furnace Corrosion - II |
| Session 25: Chemical Recovery/Bio-Energy Opportunities |
| Session 26: Environmental Management/Sustainability Panel |
| HOSTED LUNCH In Trade Fair Area |
| Session 27: Bandwidth Follow-Up Part I: Evaporator Panel |
| Session 28: Non-Metal Corrosion Issues Cause & Effect |
| Session 29: Advancing the Biorefinery for Non-Woods |
| Session 30: Boiler Water Treatment Workshop |
| Session 31: Climate Change |
| Session 32: Bandwidth Follow-Up Part II: Dewatering/Drying Panel |
| Session 33: Boiler Operations |
| Session 34: Kraft Liquor Corrosion Reports from Front Line |
| Session 35: Advancing the Biorefinery for Wood |
| Session 36: Current Issues in Air |
| Session 37: Hot Topics Continental Breakfast 6:45-8:30AM |
| Session 38: Advances in Eucalyptus Pulping |
| Session 39: Advances in Non-Wood Processing - I |
| Session 40: Advances in Chemical Recovery |
| Session 41: Specifying Quality into Your Process Plant |
| Session 42: Water Issues |
| Session 43: Advances in Non-Wood Processing - II |
| Session 44: Measurement Techniques for Effective Pulping |
| Session 45: Green Power Panel Session |
| Session 46: Data Reconciliation |
| LUNCH On Your Own |
| Session 47: Dealing with Black Liquor |
| Session 48: Semichemical Processing |
| Session 49: Improving Pulp Processing |
| Session 50: Advances in Non-Wood Processing - III |
| Session 51: Gains in Energy Efficiency |
