Art Rankin (1936-2019) was a true papermaker. Art was active in TAPPI and PIMA during his entire working career and continued even after retirement. He championed continuous trainings and education both in the mills and at the multiple universities where he served on advisory boards. He worked tirelessly at helping to increase scholarship funding to nurture the next generation of paper industry professionals. He also loved the sport of golf.

Please join us and continue his passion of supporting scholarship funding for our paper industry leaders of tomorrow.

Your participation will help fund local TAPPI and PIMA SCHOLARSHIP programs. Thank you for your support!!
