

PROCESS CONTROL DIVISION CALL FOR PAPERS

Abstract Submission Deadline: November 10, 2023

The Process Control Division of TAPPI would like to invite contributors to submit abstracts for TAPPI's Pulp and Paper Conference, TAPPICon 2024. The conference will be held in Cleveland, Ohio, United States, from April 28 to May 1, 2024. Abstracts for original papers and presentations are due by **November 10, 2023**.

TAPPICon is the largest pulp and paper technical program in the world. The event brings together industry professionals from manufacturers and vendors to enjoy a comprehensive program, networking opportunities, and a trade fair. The Process Control track of the technical program will focus on key topics including:

- Industrial Control Systems Cybersecurity
- Manufacturing Intelligence
- Control System's Maintenance
- Web Inspection Systems (WIS) and Machine Vision
- Quality Control Systems (QCS)
- Distributed Control Systems (DCS)
- Field Instrumentation and Devices

To uphold excellence, the Process Control track expects a technical paper to accompany all presentations. All papers will go through a peer review process.

The draft manuscripts are due **February 16, 2024**. The final draft of manuscripts and PowerPoint drafts are both due **March 22, 2024**. The final PowerPoint presentations are due **April 5, 2023**.

Guidelines for the submission of abstracts are available on [TAPPI's website](#). Speakers also benefit from reduced conference registration fees.
