

TISSUE TRACK CALL FOR PAPERS

Abstract Submission Deadline: November 10, 2023

TAPPICon's Tissue Track is accepting applications for papers in all technology areas related to:

- Production or Conversion of Tissue

In addition, abstracts are requested on paper applications as they relate to:

- Sustainability
- Dust Control
- Yankee Dryer Safety
- Automation and AI
- Alternative Fibers
- Recycling/Deinking
- New Technology (Machine, Equipment, PM clothing, etc.)
- Process and Functional Additives
- General Safety

Have something that falls outside those categories? Please reach out to TAPPI Division Manager [Tyler Mast](#) to discuss.
