UNIVERSITY OF MINNESOTA

April, 2024

Hello,

This year's golf outing will be an in-person event on June 13, or a hybrid event that you can play anywhere from Saturday June 1 to Thursday June 13. You can play at any course of your choice (before June 13), or play at the U of M Les Bolstad Golf course on June 13 (tee times between 12-1 pm). We would like to encourage you to come to the in-person event on campus on June 13. Please see the registration flyer for more details. This is our fourth hybrid golf tournament and we would like your participation in making this a success!

As you may know, Lake States TAPPI/North Central PIMA supports the paper industry in Wisconsin and Minnesota through two main functions: by disseminating technical and managerial information at meetings, and by funding scholarships and other educational endeavors related to paper and allied industries. During the past year, Lake States TAPPI/North Central PIMA donated \$15,000 to various groups including UW Stevens Point, University of Minnesota, and Fox Valley Technical College. This funding was used for scholarships to students studying paper and bioproducts curricula. In 2023, the golf outings raised over \$10,000 to help fund these scholarship programs.

The registration to enter the in-person golf tournament is \$100 (\$75 Student/Faculty/Retiree) per person and includes your contribution towards scholarships, as well as the cost of 18-holes and a cart! Hybrid registration is \$55 (\$30 Student/Faculty/Retiree). After completing your round, please send a photo of your scorecard to Tom Murphy at 612-570-1234 to be entered into our on-line scorecard.

To continue to support the paper and allied industry, we need your support to ensure that these fundraising efforts are a success. Please consider entering a foursome for this year's event or play as a single or double with your family, friends, and colleagues. For registration, please see the flyer for more details. All proceeds will go to paper industry student's scholarships.

In addition, we are looking for sponsorship assistance to cover any additional costs. For as little as \$100, you can help sponsor part of the day's events, but we welcome support at any amount! Those sponsoring will be recognized on the course and during the awards ceremony. **We have three sponsorship levels:**

PLATINUM \$500 | GOLD \$300 | SILVER \$100

On **Thursday June 13, 2024 at 4:00 PM**, we will have an in-person reception to recognize the winners and distribute prizes. **Join us at Insight Brewing, 2821 E Hennepin Ave, Minneapolis, MN 55413.**

We are looking forward to another successful event this year and we appreciate your participation!

If you are willing to help sponsor this year's event, please contact any of the following:
