

# BIKE RALLY

**WMU PTF AND LAKE STATES TAPPI**  
**Saturday, Sept. 18, 9 a.m.-noon**

## Papermakers, let's ride

Please support the paper engineering students at Western Michigan University as we raise funds to create resources for personal and professional development opportunities in the forest products industry. WMU paper students are part of TAPPI (Technical Association of the Pulp and Paper Industry) Ts'ai Lun—a WMU registered student organization, and Lake States TAPPI. Our students learn methods and strategies to use paper and non-wood fibers to create renewable, reusable, and recyclable products, replacing harmful petroleum based products. We hope you will join in the fun and help us exceed our goal!

You can choose from route distances of 5, 10, 18, 25 or 37 miles leaving from the Vicksburg Community Pavilion.

More details on the routes can be found at [fallbikecelebration.org/multi-charity-bikeathon](http://fallbikecelebration.org/multi-charity-bikeathon)

The Paper Bike Rally is part of Fall Bike Celebration weekend.

# 2

**Two ways to participate**

**WESTERN MICHIGAN UNIVERSITY**

Paper Technology  
Foundation

**1**

Join the Paper Technology Foundation team or support the team captain, Jen Johnson. If you are riding, please consider a \$60 donation to help the young papermakers in addition to your registration fee (\$30 advance, \$35 between 9/1-9/14, \$45 onsite). [bikereg.com/bfks-multi-charity-bikeathon#Register](http://bikereg.com/bfks-multi-charity-bikeathon#Register)

**2**

If you are unable to ride, please consider a \$100 donation to support our students raising funds to attend TAPPI Student Summit in January 2022! [pledgreg.com/3870/Team/16506](http://pledgreg.com/3870/Team/16506)

Come support future paper engineers and take part in a **full weekend of activities** including an art competition, community tours, bluegrass concert, ice cream social and much more!
